Pony Club is not a “drop off” activity. Parents are required to be present and remain for the duration of the activity unless permission is granted from the DC or activity organizer.

Fund Raising: In order to help defray the cost of instruction of lessons, certifications, camps, other CWPC activities and operating expenses, CWPC will conduct fundraiser(s). Parents and members volunteer at the entrance gate admission for events such as Twilight Polo at Great Meadow, Saturday evenings, and Friday Night Jumpers, mid-May thru mid September. Members with their parent or another adult will participate to remain in good standing with CWPC. A volunteer coordinator will create a volunteer sign up calendar and administer prior to the beginning and throughout the polo season. The board may offer other fundraising opportunities such as pony rides at community events for which member and parent volunteers are needed.

Casanova-Warrenton Pony Club welcomes adult sponsors committed to the success of the program and adult Pony Club members.
